Friends of Recreation

Mark D. Bresnahan
Director of Recreation

The Morton & Barbara Mandel Recreation Center opened its doors in December of 2019 to serve the community of Palm Beach after a two year fundraising campaign spearheaded by the Friends of Recreation, Inc., a generous donation by the Morton and Barbara Mandel Family Foundation and the Town of Palm Beach. To preserve the long-term viability of the Mandel Recreation center, Friends of Recreation will professionally manage an endowment fund aimed to improve programming and bring the center to a break-even level. There are several donor and/or naming opportunities still available.

For more information, including a complete list of naming opportunities, please contact Mark Bresnahan at
